Making a splash

A focus on PortAventura World, Spain's biggest theme park, attracting millions of visitors, including school groups, each year.

Located about an hour south of Barcelona, PortAventura World combines a thrilling theme park, a Caribbean-style waterpark and Europe's only Ferrari Land, all in one fun-packed place. Catering for children aged four to 18, there's something to suit all school groups at the colourful resort.

Just some of the many highlights are:

- Six world areas including the Far West, Mexico, China and Polynesia.

- The highest rollercoaster in Europe (Vertical Accelerator).
- Thrilling and magical rides.

PortAventura Park will allow your students to discover six themed areas with a variety of rides, shows, shop and restaurants, travelling the world without leaving the resort. For the younger pupils, there's plenty to entertain from riding canoes through Polynesia to firing water cannons on

Where to stay

Accommodation is available in 4* themed hotels in the resort with unlimited admission to PortAventura Park and one day in Ferrari Land. These include the Hotel Colorado Creek, Hotel El Paso and Hotel Gold River.

- Roulette Prices: Available for full board bookings with access to PortAventura Park throughout the entire stay and one day in Ferrari Land.
- Free places: One person for every 20 paying students and one driver per coach (terms and conditions apply).

School group packages

- Tickets are available to each of the parks; PortAventura, Ferrari Land and Caribe Aquatic Park.
- The Aula Ticket includes entry to PortAventura and a free educational class. Visit aulaaventura.urv.cat or book at aula@portaventura.es.
- Ticket Plus: Tickets to all three parks are also available as a combined admission (teachers receive a €10 restaurant voucher with these bookings).
- For every ten paying pupils there's free admission for one teacher and the coach driver.
- School groups must be made up of 20+ pupils (aged 4-17) accompanied by their teachers.

the Angkor boat ride. They'll even get to enter the world of Sesame Street and meet Elmo and the gang.

For those looking for more adventurous activities, your students can brace themselves to travel 85mph in just three seconds on the Furious Baco ride.

The Caribe Aquatic Park is the resort's totally tropical water park, offering many slides and pools for your students to cool off in and Europe's highest freefall slide.

The newest park, Ferrari Land, is dedicated to the need for speed.

Children can experience some thrilling activities from racing car simulators to living the F1 experience or travelling 0-110mph in five seconds on Europe's tallest and fastest Vertical Accelerator. You can be sure to have a memorable time!

As well as having heaps of fun, there's an educational aspect to the resort too. Time spent in the park will give your students plenty of opportunities to test their Spanish by ordering food, buying a drink or snack and even talking to staff and entertainers around the park.

New for 2019

The only Sesame Street® dark ride in Europe will open at PortAventura this year. Step into SésamoAventura, which is about to get even more action-packed...will your pupils be able to help Detective Grover solve his secret mission?

Many school trip packages combine a trip to PortAventura World with an itinerary taking in nearby Barcelona and other parts of Catalonia – the area is very popular for a variety of tours, whether they're linked to Modern Foreign Languages, Art & Design or for Reward and Enrichment Trips. ●
